

## **Festive Fun Competition!**

Draw a festive front cover for the programme for the school festive fun afternoon- the winning entry will have their artwork printed on the programmes for all to see!

Some suggestions to help get you started:

- Draw your design on the blank template on this sheet- make sure you stay within the boarder so that it can be printed
- The date of the Festive Fun afternoon is 8<sup>th</sup> December so you might want to include that information, the title Festive Fun, and Ettington Primary School in your design
- Make it as Festive as you can – as jolly, twinkly, sparkly and glittery as you can make it
- Don't forget to sign it with a flourish so everyone can see that it is your artwork
- Please write your full name and Class on the back of your entry

**Entries to be submitted by Friday 1<sup>st</sup>  
December**
