

CHRISTMAS READING CHALLENGE 2017.

Name:..... Class:.....

We challenge all of our children to read 7 times during the Christmas Holiday, and each time they do so they should colour in one of our book worms below. Every child who completes all 7 reads will get a special certificate in January.

We don't mind what children read – school or home books, magazines, newspapers, annuals, comics or internet articles – just keep them reading! If your child reads with somebody else, then record that too, any reading counts!

FANTASTIC YOU DID IT! Now tell us a little bit about what you have read below. We'd like to know the titles and authors' names; please tell us in the box below.
