

8th January 2018

Dear Parents/ Guardians

Ettington Church of England
Primary School

Happy New Year and welcome back to school. We hope you have had a lovely restful holiday and the children are refreshed and ready to learn. As part of our new topic 'Tropical Wilderness', I will be hosting a rainforest café in class this week, where children will be taste testing different fruits and foods. Below is a list of the fruits which they will be tasting. We will not be tasting any nuts, but I may include some other foods which derive from the rainforests.

Please will you check the list below and let us know in the reply slip provided if your child cannot taste any other specific ingredients due to a food allergy.

| | | |
|------------------|----------------------|----------------------------------|
| Pineapple | avocado | dragon fruit |
| Mango | passion fruit | guava acai berries |

Please return to Miss Stanley/ Mrs Kemp or the office ASAP (but by Wednesday this week, 10th January, or unfortunately they won't be able to take part in the tasting activities).

Apologies for the short notice but hopefully this fun activity will inspire the children's interest and enthusiasm in our new class topic.

Kind regards
pp Kemp
Mrs Kemp
Class 3 Teacher

I understand that my child will be taste testing rainforest fruits in class this Wednesday, 10th January 2018

Name of child _____

(Please tick one)

My child does not have any known food allergies or special dietary requirements
