

Learning for Life

Ettington Church of England
Primary School

6th June 2018

Dear Parent/Carer

Many of you will be aware that Denim After and Before School club have given the school notice that they will no longer run the wrap around care at Ettington Primary after 20th July. This has come as rather a shock to us and we are obviously in a difficult position, with little time, to ensure an alternative is in place for the start of the autumn Term in September.

I am writing to all parents to reassure them that we are doing everything possible to find an alternative provider and I have a number of meetings organised over the coming days to get a plan in place.

I am confident that come September we will be able to offer the same level of wrap-around care as that provided by Denim and will endeavour to keep parents informed when more information is available.

In the mean time do not hesitate to contact me if you have any further concerns or questions.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'D Johnson', written in a cursive style.
