Dear Parents,

I will have a lot of photographs that will be taken during our stay at Marle Hall, the trip to Weston and the Retreat etc. It would be nice to give these to the children but I need your consent before that can happen because other people's children appear on the pictures.

If all year 6 parents agree and complete the attached consent form, then if your child brings a **named** memory stick to school before the end of term, I will copy the pictures onto it for them before the end of the academic year.

**Please note that any pictures provided must not be uploaded to social media sites if they contain images of other people's children.**

Many thanks,

Miss Solomon

### YEAR 6 PHOTO CONSENT SLIP

I am happy / not happy (*delete as appropriate*) for my child's image (photographs taken whilst at Marle Hall and other school events) to be shared with other year six children on a memory stick that I agree to provide.

I agree not to put images of other people's children on social media sites/the internet.
