

**Early Years, Key Stage 1 & 2 Parent
Inspire Workshop**

Maths Mastery

We invite all parents to attend one of our
math's workshops on

**Tuesday 30th January between 2pm and 3pm
or 5.30pm and 6.30pm in school.**

The session will help parents to understand how we teach our
children to master the maths curriculum through a practical
approach to problem solving, what our expectations are and how we
develop a greater depth of understanding.

We will also help parents to understand how to help children to
develop and practise their maths at home.

Maths Mastery Workshop – 30th January

We will/will not be attending the math's workshop at 2pm or 5.30pm.
