

Dear Parent,

Hello again from The Musical Box. We are a team of musicians who privately set up a school, aimed to help teach contemporary music lessons to anyone with the desire to learn!

We have limited lesson slots available from Jan onwards so we are asking parents to fill in letters for the new term if your child is interested in taking lessons. We have TWO Guitar/Ukelele lesson slots available, as well as possibly bringing contemporary singing lessons to the school, which would require a minimum of FOUR new students. If you think your child would like to start music with us then please get in touch!

TMB has been providing 1-1 music lessons at Ettington Primary School for over year now, with great success.

If lessons in the school day are not for you, then please enquire about lessons at our studios. If you have any questions then please e-mail Emma on emma.doupe@themusicalbox.co.uk.

We currently have the options to teach Electric Guitar, Ukulele, Piano and Vocals.

- Lessons are 30 minutes in length and are once a week
- Students will receive a minimum of 10 half hour lessons per term in their chosen instrument.
- All lessons are One-to-One, as we believe 100% attention to the individual student provides the most enjoyment and best progress.
- Not only will they learn how to play the instrument and read music but music is known to help with confidence, co-ordination and social skills.
- We offer graded exams if you are seeking qualifications and have a 99% pass rate. We also offer our own developed course for those who don't want to take exams but would like targets and recognisable milestones. Or you can learn just for fun with no pressure at all.
- Lessons are £19 per half hour + VAT and are booked termly in advance.

If your child is interested in learning one of the instruments listed over the page, then please fill in the attached form by latest **Friday December 1st** and e-mail it to our School Liaison Manager, Emma Doupé.
