Dear Parents

As you are aware the Pod outside is now fully operational. The Pod provides useful information for parents along with photos and short video inserts of the children at school. We would like to air the photos and videos live onto the school website using the material displayed on the playground Pod. This may be accessed by the general public. Only first names will be used on the photos and in the video clips.

I would be grateful if you could sign below giving your permission for images of your child(ren) to be shown in any photos and video clips displayed on the Pod and aired live onto the website.

Yours sincerely

David Johnson  
Headteacher
