

PRIVACY NOTICE

for

Pupils in Schools, Alternative Provision and Children in Early Years Settings

Privacy Notice - Data Protection Act 1998

We **Ettington CofE Primary School** are a data controller for the purposes of the Data Protection Act. We collect information from you and may receive information about you from your previous school and the Learning Records Service. We hold this personal data and use it to:

- Support your teaching and learning;
- Monitor and report on your progress;
- Provide appropriate pastoral care;
- Support you in your transition to a post 16 provider of education or training and,
- Assess how well your school is doing

This information includes your contact details, national curriculum assessment results, attendance information¹ and personal characteristics such as your ethnic group, any special educational needs and free school meal eligibility. If you are enrolling for post 14 qualifications we will be provided with your unique learner number (ULN) by the Learning Records Service and may also obtain from them details of any learning or qualifications you have undertaken.

For Secondary phase schools and academies

Once you are aged 13 or over, we are required by law to pass on certain information to providers of youth support services in your area. We must provide both your and your parent's/s' name(s), address and your date of birth, and any further relevant information that we hold about you. This relevant information may include details as listed in Appendix 1 on page 4.

This is to enable the support service to contact young people directly to promote their effective participation in education and training. The information will be used to put in place support arrangements for those young people identified as not participating in education or training.

However, if you are over 16, you can ask that no information beyond names, address and your date of birth be passed to the support service or if you are under 16 your parent(s) can ask that no information beyond name and address (for pupils and parents) and your date of birth be passed onto the support service. To do this, please inform **Mrs Holmes, School Business Manager** For more information about young peoples' services, please go to the Directgov Education and Learning page at <https://www.gov.uk/browse/education>

Raising of the Participation Age (RPA)

The law is changing from the summer of 2013 so that 16 year olds will need to participate in education or training to the end of the academic year in which they are 17, and for 17 year olds to their 18th birthday from summer 2015.

Any provider of education or training must by law inform the Local Authority (LA) of any young person who "drops out" from post 16 education or training from their institution. It is the duty of the LA to promote the effective participation in education or training of all 16 and 17 year olds resident

¹ Attendance information is not collected as part of the Censuses for the Department for Education for the following pupils / children: Those in Alternative Provision and Early Years Settings.

in their area; and make arrangements to identify young people resident in their area who are not participating. If at any point a young person, by law, should be participating and they are either not in education, employment or training (NEET) or it is not known what they are doing, the LA and/or the youth support services in your area, formerly known as Connexions, now CSWP Ltd. will pass on the young persons details to providers of education, training or support who will be able to assist the young person to participate.

Information will only be shared when it allows the young person to fulfil their statutory duty to participate.

Post 16 Providers attended by Warwickshire Learners

Our school/academy may share your details (as listed in Appendix 1 page 4) with post 16 providers to support successful transitions. Information will also be shared as part of the September Guarantee Process which is a statutory obligation for Warwickshire Local Authority to ensure that all young people are offered appropriate learning and training opportunities.

To publicise the availability of post 14 and post 16 choices and maximise opportunities that are available to young people like yourself, the agency commissioned by Warwickshire Local Authority to deliver local support services for careers guidance (currently CSWP Ltd) may, on behalf of schools, colleges and training providers, contact you at your home address. This is to ensure that every young person has access to the information they need to make informed decisions and successful transitions into further education, employment and training.

However, if you are over 16, you can ask that no information beyond names, address and your date of birth be passed to the providers or if you are under 16 your parent(s) can ask that no information beyond your name, address and date of birth be passed on to the providers. If as a parent, or as a pupil aged 16 or over, you wish to opt-out and do not want Post 16 providers to receive from our school/academy, information beyond name, address and date of birth, then please contact your school administrator: ***Mrs Holmes, School Business Manager.***

Data sharing between local authorities and Post 16 providers

1. There are two pieces of legislation local authorities will take into account when considering local information sharing arrangements for the implementation of RPA for 16 and 17 year-olds. The two relevant legislative provisions for data sharing are sections 68 and 77 of the Education and Skills Act 2008. Section 77 allows a local authority to supply information about young people to an organisation that is providing services under section 68.

2. The Department for Education (DfE) considers that by putting in place a written agreement on how they will work with the providers, local authorities will be entering into arrangements with those providers for the provision of section 68 services. This allows the local authority to provide details of eligible young people to the providers in their area. It would also allow the local authority to confirm the status of young people who have been identified independently by the provider. The Coventry, Solihull and Warwickshire (CSWP) Partnership agreement sets out how the Local Authority and CSWP Ltd will support and work with schools to deliver their statutory duties. It also lists the details of young people that will be shared (as listed in Appendix 1, page 4) and how this data is shared. For a copy of this agreement, please contact your schools Headteacher/Principal.

3. In keeping with normal practice, both providers and local authorities will ensure that the use of young peoples' data is consistent with their Data Controller registrations and privacy notices prior to sharing data.

4. In addition, local authorities and providers must comply with the Data Protection Act, applying the normal data protection principles that relate to processing personal data.

We will not give information about you to anyone outside the school without your consent unless the law and our rules allow us to or as envisaged by this privacy notice

We are required by law to pass some information about you to the Local Authority and the Department for Education (DfE). This sharing of information also applies to agencies that are prescribed in law, such as, Ofsted, the Education Funding Agency (EFA), the Department of Health (DoH) and Skills Funding Agency that require access to data for the Learner Records Service. All these agencies are data controllers in respect of the data they receive and are subject to the same legal constraints by law in how they deal with the data.

How the Local Authority (LA) and Department for Education (DfE) use your information

If you require more information about how the Local Authority (LA) and/or DfE store and use your information, then please go to the following websites:
