

# Reception Parents'

**free learning session**

## Inspire Workshop 2

**Please join us on Wednesday 17<sup>th</sup>  
January in the school hall, from  
9.00am to 10.30am.**

**Work with the Early Years staff and children to learn more about maths and phonics, and discover fun ways to support your child's learning at home. Activities planned during the workshops will be both practical and fun. There will also be some useful hand-outs to take away and use at home.**

**We strongly recommend that all parents attend this important session and ask that you plan ahead with child-care to make sure you are available.**
