

Shop Front Mural Design Competition

I am delighted to tell you that Andrew Nardone the manager at Ettington Store has asked us to run a special competition to create a design for a mural, which will decorate the front wall of the new shop.

Our KS2 children will be involved in producing the mural later this term but we thought it would be nice to invite all children to come up with an winning design.

The actual mural will be around 2½ meters square and needs to be bright, eye-catching and simple enough to reproduce. There is no specific theme; we hope our children will be able to use their imaginations to come up with a relevant and memorable design.

The closing date for entries is **Friday 9th February**, when sheets must be returned to the class teacher.
