What you need to know.....

- Students will receive a minimum of 10 half hour lessons per term (33 lessons across the year)
- All lessons are One-to-One, so that the student receives full attention, has the most enjoyment and makes the best progress.
- Not only will they learn how to play the instrument and read music but music is known to help with confidence, co-ordination and social skills as well as improving their core subjects in school.
