### E-Safety Survey

Dear Parents / Carers

Please find attached an E-Safety survey.

As part of our continued drive to keep our children safe and protected online, we will be asking parents and children a range of questions to gain a better understanding of how being online impacts on each individuals daily life.

We are also aiming to hold an E- Safety information evening for parents and carers in the very near future and would aim to use the information from your completed questionnaires to tailor the information given to meet your needs.

As I am sure you are aware, there is a growing need to ensure that we are protected and safe online, therefore your feedback would be greatly appreciated as we work together to safeguard our children.

**Please could completed surveys be returned to school by Friday 13<sup>th</sup> November 2015 via your child's class teacher.** Many thanks for your continued support.

Kind Regards,

Michelle Crowe

Acting Head Teacher
