

# Our Woodland Area for Outdoor Learning Could you help us on Saturday 9<sup>th</sup> June?

Our woodland area at the far side of the playing field is looking overgrown but has the potential to be a lovely space for outdoor learning. The Pre School use the area too and are going to help us with this project.

Warwickshire County Council will soon be doing some vital tree surgery work but there's still lots to do. The first thing is to clear overgrown parts of the area and make it safe and more useable for the children.

Mr Johnson and Mrs Marcroft would like to invite you to help on the morning of **Saturday 9<sup>th</sup> June.**

Please come with your gardening tools if you have them, for cutting back and clearing. We would also like some help with fencing work and dismantling some wooden structures.

If you'd like to help us, please contact the school on 01789 740236

Email: [admin3024@welearn365.com](mailto:admin3024@welearn365.com)

We look forward to seeing you there!
