Dear Parent/Carer

We have planned to take our year 2 children to Ryton Pools Country Park on Tuesday 16th April 2024. This is a wonderful woodland venue which can provide enriching activities which are linked to our science topic 'Living Things and their Habitats' as well as creative activities using the woodland environment.

There is a morning and an afternoon session which will be run by the Ryton Pools educational forest leaders.

This amazing day will provide the children with wonderful opportunities to discover the natural world and learn about a variety of habitats. We have negotiated the best possible price from the venue and the bus company.

The cost of this trip will be £17.15 per child. Please could you complete the slip below and send back to school with payment by Friday 22nd March 2024. If you will have any difficulty with this payment, please contact me or Mrs Crowe to discuss in confidence.

The children do not need to wear school uniform on this trip. Please could all children wear suitable and comfortable outdoor clothing. For example sweater, trousers/jeans and walking boots or wellies and a waterproof coat. Please could children either bring a packed lunch and named water bottle in a named bag or request a school packed lunch on the slip below. We would like to take 3 parents with us on this trip so please also indicate if you are able to help. We will get in touch with you to confirm if your help is required. Thank you in advance.

Yours sincerely
