

YEAR 6 CURLING EVENT

With the help of Mr. Higgitt and Mrs. Swift, Elliott D, Emily H, Tahlia C and Theo P participated in this year's amazing curling event, at Shipston Townsend Hall. We arrived at around 2:00 in a beautiful minibus with a comfy leather interior and an image of a unicorn on the side and walked in for the best curling match of the year...!

So, the first match came along and tension built in the air, this was year six's time to shine! First it was Ettington v Shipston. Although Shipston had an advantage since they had practiced, Elliott and Emily seized the win with a whopping score of 5-1!

Sadly, for Theo.P and Tahlia, Shipston fought them back and won with a score of 1-6. Although, they suddenly came back and ferociously snatched a 5-2 win off the Acorns. The other team were having even more luck and delivered a deep blow with the heightened score of 6-1. Although Theo and Tahlia took another loss, Brailles won with a score of 5-2. But Elliott and Emily pushed forwards still with a score of 4-3.

The first half finally came around and shockingly our school were in the lead!

Then the first match after the break began and Theo.P and Tahlia drew with Shipston, but Elliott and Emily had their first loss; Shipston beat them 6-1. Although they had lost the last match, they beat Acorns by 3 points the score was 5-2. Theo's new streak was over as Acorns won 5-2. Finally, Brailles won against Tahlia 3-2, but the other team were having amazingly bad luck since Brailles also won against them 0-11!

Then the results came...Acorns were last, Ettington was third, Shipston was second and Brailles were first...

Well done to everyone.
