

Africa Homework for this half term

I'd like you to choose an activity from the grid below and complete one to bring in every other week. By the end of the term, you will have completed most if not all of the tasks but I would rather you do less but to a high standard than rush to complete them all.

You can adapt the tasks if you like and present them as you see fit. For example, you could produce a news report, 3D model, a video, a Powerpoint and so on.

You could even upload your work to google classroom for all to see.
