

Early Years & Key Stage One Parent Workshop

A to Z of Phonics

We invite all parents to attend a phonics workshop on

**Tuesday 1st October between 6.00pm and
7.30pm in Class 2.**

The session will help parents to understand how we teach our children phonics and what our expectations are at the end of each year group.

Find out how you can help your child to practise their phonics at home and also how to develop their home reading skills.
