

Year 3 RE Summer 2

Creation/Fall

What do Christians learn from the creation story?

Knowledge Building Blocks:

Christians believe that

- God the Creator cares for the creation, including human beings.
- As human beings are part of God's good creation, they do best when they listen to God.
- The Bible shows that God wants to help people to be close to him — he keeps his relationship with them, gives them guidelines on good ways to live (such as the Ten Commandments).
- God made our wonderful world and so we should look after it.

Outcomes:

- Place the concepts of God and Creation on a timeline of the Bible's 'Big Story'.
- Make clear links between Genesis 1 and what Christians believe about God and Creation.
- Describe what Christians do because they believe God is Creator. (For example, follow God, wonder at how amazing God's creation is; care for the earth in some specific ways.)
- Ask questions and suggest answers about what might be important in the creation story for Christians living today, and for people who are not Christians.

Key Vocabulary:

Creation: Making something exist

Creator: A person or being who makes something exist

Stewards: A person who is responsible for looking after something
