Key Vocabulary:

Eschatology: End times, what happens at the end of the world.

Lands of Belonging: India, Pakistan and Bangladesh. Important countries for several different worldviews.

- Christians can make different interpretations of the Genesis Creation accounts, leading to different actions regarding the Earth and responsibility for its nurturing.
- Eschatological beliefs about what happens at the end of the world can vary in Christian worldviews and will often shape responses to climate change and the environment.
- 'Lands of Belonging' (including India, Bangladesh and Pakistan) are important for many people living in the UK today, including those from Hindu, Sikh, Muslim, Christian and other faith backgrounds.
- People with Muslim worldviews regard Mecca as a sacred Islamic site and make pilgrimage there.
