Gospel

What Would Jesus Do?

Knowledge Building Blocks:

- Christian believe he good news is not just about setting an example for good behaviour and challenging bad behaviour: it is that Jesus offers a way to heal the damage done by human sin.
- Christians see that Jesus' teachings and example cut across expectations — the Sermon on the Mount is an example of this, where Jesus' values favour serving the weak and vulnerable, not making people comfortable.
- Christians believe that they should bring this good news to life in the world in different ways, within their church family, in their personal lives, with family, with their neighbours, in the local, national and global community

Outcomes:

- Identify features of Gospel texts (for example, teachings, parable, narrative).
- Taking account of the context, suggest meanings of Gospel texts studied, and compare their ideas with ways in which Christians interpret biblical texts, showing awareness of different interpretations.
- Make clear connections between Gospel texts, Jesus' 'good news', and how Christians live in the Christian community and in their individual lives.
- Relate biblical ideas, teachings or beliefs (for example, about peace, forgiveness, healing) to the issues, problems and opportunities of their own lives and the life of their own community in the world today, offering insights of their own.

Commandments: A rule given by God.
