## **Tournament**

### **Game one**

*As we set off for a battle of our lives (Aka ww3) suspense filled the pitch. Kineton came at us strong, but we rebelled their possession and won the ball. They snatched the first goal, although we were playing better we just couldn't get one back. The overall score was 1-0 Kineton.*

### **Game two**

*Tension, was growing as the whistle blew. BAM. We hit them hard, we kept playing the ball down the wing and it eventually worked out as Albert scored two goals and assisted Charlie.R for his first goal of the tournament. Ettington 3, Brailes nil.*

### **Game three**

*Mr Higgitt (with a serious look) told us our positions and we set off for the game ahead of us. We started things off with a BANG, Barnaby scored a cheeky bottom right goal. Austin followed that up with a brilliant hatrick! Ettington 4, Acorns nil.*

## **Game four**

*Anticipation filled the school, this was our last chance to claim the trophy. We needed a win. The whistle blew for our last game of our tournament, Charlie made a run for Barnaby to pass the ball through the field of players, to Charlie.R's feet and for him to knock it in the back of the net to make it 1-nil. THE CROWD WENT WIILLLLDDD. Little did we no Shipston were going to score the last goal of the tournament. The final score was 1 all.*

## **Pen shootout**

*Ettington and Kineton were drawn with points, so we faced them in an intense penalty shootout. Barnaby scored a worldie, top bins. Oscar followed that up with a superman save. 1-nil Ettington. Austin then slotted the ball in the bottom corner. Then Kineton got an unlucky shot and smashed the left post. After all that hard work, we got to take the trophy home!*
