Learning for Fullness of Life
Trust-Respect - Love

ATTENDANCE POLICY

As a school, we aspire to live out God’s plan for all to flourish.

We believe in providing our children with opportunities to use and develop the gifts and talents they have been blessed with, to ensure they embrace ‘Life in its fullness’ (John 10:10) following the teachings of Jesus.

Our vision is to place the child at the heart of everything we do, Learning for the Fullness of Life’. It is to work together, where everyone is a partner in learning; providing a safe, happy, caring and stimulating community, where children are given opportunities to reach their true potential.

1. INTRODUCTION

“Attendance is everyone’s business, and everyone involved with the care of children is equally responsible for ensuring children’s attendance. This means schools, LAs, social care, NHS workers and community partners all have a responsibility to see the child in school every day, and to wrap support around that child. All partners should make children’s attendance a top priority. Every child should be in school every day, supported and ready to learn. Every child has the right to a fantastic education.”

Dame Rachel de Souza, Children’s Commissioner for England

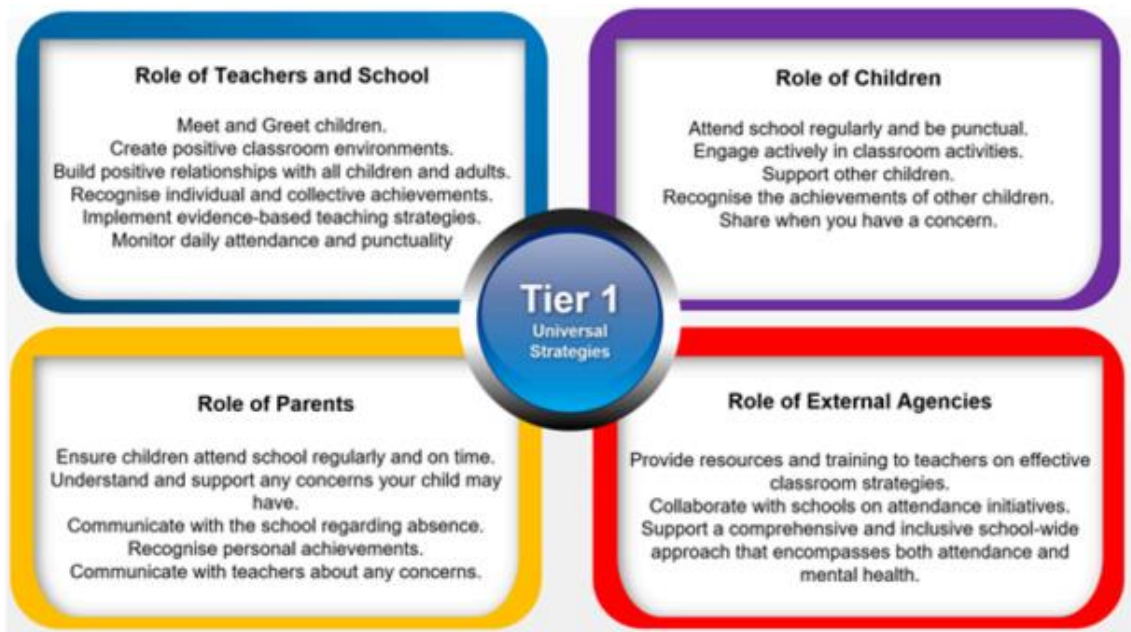

At Ettington, our unwavering commitment to attendance centres around child-centric actions, evidence-informed practices, and a shared understanding of everyone’s roles and collective responsibilities to promote exceptional attendance.

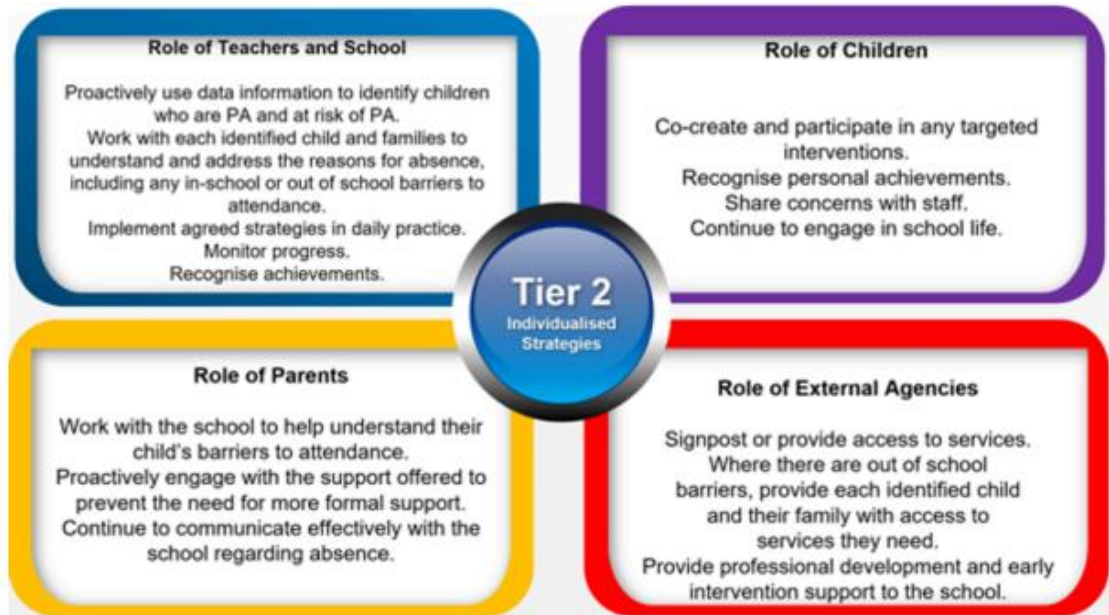

2. MULTI-TIERED SYSTEM OF SUPPORT

To guarantee a comprehensive approach to attendance, we implement a multi-tiered system of support (MTSS) for school attendance, involving three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies - including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of the system. The system aligns with the Department for Education's (DfE) [Working Together to Improve School Attendance \(19/9/24\)](#) guidelines.

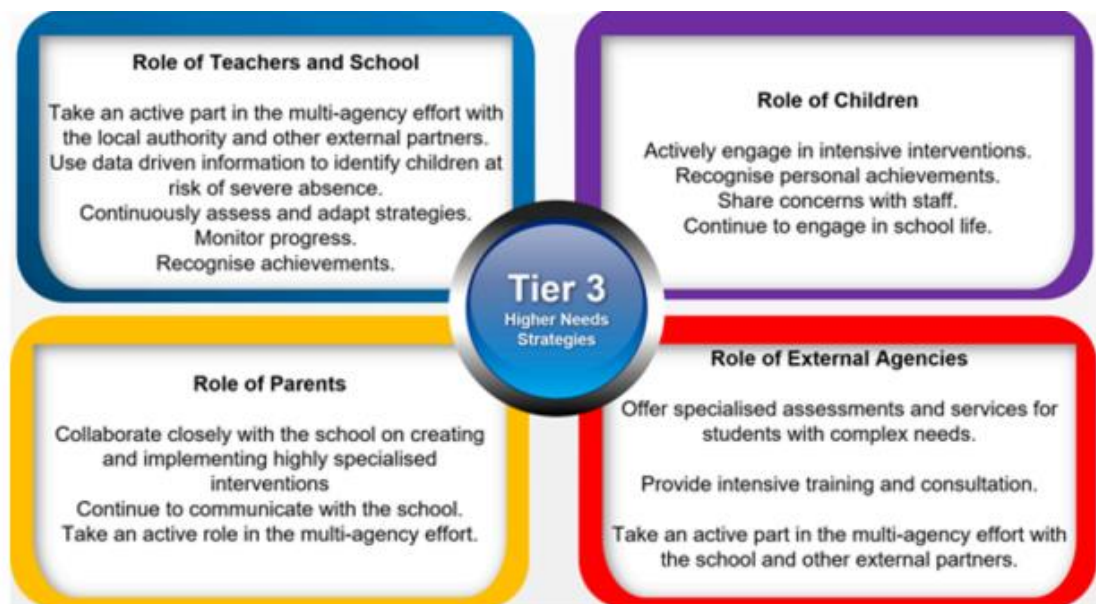

Tier 1 - Universal Approach: establishing a baseline universal attendance approach that benefits all children

Tier 2 - Internal individualised Strategies and Early Help Support: tailoring strategies to individual needs and providing early help support for persistent attendance challenges.

Tier 3 - Higher Needs Strategies Support: furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.

3. RECOGNITION-BASED APPROACH

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

We do not reward 100% attendance with certificates or special events.

4. THE IMPORTANCE OF SCHOOL ATTENDANCE

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic and social success, personal growth, and future prospects, making it an indispensable aspect of any ambitious educational system.

Academic Achievement: regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.

Knowledge Acquisition: school is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing out on valuable learning opportunities.

Social Development: school provides a vital social environment for children and adolescents to interact with peers, develop friendships, and learn essential social skills. Consistent attendance ensures children remain connected to their peer group.

Building Routine: school attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.

Teacher Interaction: regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.

Preventing Knowledge Gaps: frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in short term anxiety at not knowing information that classmates know to missed lessons, and long-term academic struggles.

School Engagement: children who attend school regularly are more likely to engage in extracurricular activities, sports, and other enriching experiences that contribute to their overall development.

Legal and Parental Responsibility: parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.

Community Wellbeing: high levels of school attendance contribute to the overall wellbeing of communities.

5. FACTORS INFLUENCING ATTENDANCE

Below are some examples of key factors that contribute to absenteeism.

Health Issues: children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a child's ability to attend school regularly.

Family Circumstances: family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some cases, children may need to take time off to support their families.

Bullying and Safety Concerns: experiences of bullying, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism.

Transportation Issues: difficulty in accessing transportation to school, especially in rural areas, can affect attendance. Lack of reliable transportation options can lead to sporadic attendance.

Socioeconomic Factors: families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism.

Special Educational Needs and Disabilities (SEND): children with special educational needs and disabilities may require additional support and accommodations to attend school regularly. Failure to provide appropriate support can lead to absences.

Engagement and Motivation: lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school.

Academic Challenges: children facing academic difficulties or feeling overwhelmed by coursework may avoid school. They may fear falling behind or failing in their studies.

School Climate: a positive and inclusive school climate can encourage attendance, while a negative or unwelcoming environment can have the opposite effect. Children who feel disconnected or unsupported at school may miss classes and stay home.

Peer Pressure and Social Factors: influence from peers can impact attendance. Children may skip school to align with the behaviour of their peers or to engage in social activities outside of school.

Parental Involvement: parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism. To address attendance issues effectively, schools and local authorities often implement strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children is crucial for developing targeted interventions and support systems to improve attendance rates.

6. LEGISLATION

This Attendance Policy operates within the framework of statutory attendance regulations outlined in the Education (Pupil Registration) (England) Regulations 2006 and subsequent amendments. We adhere to the following key attendance acts in the UK:

Education Act 1996: The Education Act 1996 is the primary piece of legislation that sets out the legal framework for school attendance in England and Wales. It outlines the responsibilities of parents, carers, and schools in ensuring regular school attendance. Sections 444-447 of the Act deal with offences related to non-attendance and penalties for parents and carers.

Education (Pupil Registration) Regulations 2006: these regulations specify the procedures for registering pupils and maintaining attendance records in schools in England. They also define the circumstances in which a pupil can be marked as absent or present.

Education (Pupil Registration) (England) (Amendment) Regulations 2013: these regulations amended the 2006 regulations and introduced stricter rules on authorising term-time holidays. Under these regulations, headteachers are only allowed to grant leave of absence in exceptional circumstances.

School Attendance Code of Practice: the School Attendance Code of Practice provides guidance to schools, local authorities, and parents on the law and procedures relating to school attendance and absence. It sets out the principles for promoting good attendance and dealing with poor attendance.

The School Attendance (Pupil Registration) (England) Regulations 2024: these regulations include changes to the law on keeping school attendance and admission registers, including a revised set of codes, granting leaves of absence and access to, and sharing of attendance information. It also set out the new National Framework for issuing penalty notices.

Local Authority School Attendance Guidance: each local authority in the UK may provide its own guidance and policies on school attendance. Schools should be aware of and follow the specific guidance issued by their local authority.

Department for Education (DfE) Guidance: the DfE periodically issues guidance documents and updates related to school attendance. Schools should stay informed about the latest DfE guidance and follow any recommendations or requirements outlined in these documents.

Child Employment Legislation: legislation such as the Children and Young Persons Act 1933 and the Children (Performances) Regulations 1968 govern the employment and attendance of children involved in performances, modelling, and other activities outside of regular school hours.

Children Missing Education (CME) Statutory Guidance: this guidance outlines the responsibilities of local authorities in identifying and tracking children who may be missing education, including those who are not on a school roll or are not receiving suitable education.

Section 19 of the Education Act 1996 (England and Wales): this outlines the duty of local authorities in ensuring that suitable education is provided for children of compulsory school age. This section of the Act places several responsibilities on local authorities, including:

1. Duty to Ensure Suitable Education: local authorities have a statutory duty to ensure that children of compulsory school age within their area receive a suitable education. This duty applies to all children, including those who are unable to attend school due to illness or other reasons.

2. Power to Issue School Attendance Orders: local authorities have the power to issue a School Attendance Order if it appears that a child within their area is not receiving a suitable education. A School Attendance Order compels parents to send their child to a specified school or receive education in some other manner.

3. Duty to Investigate and Take Action: if a local authority has reason to believe that a child is not receiving a suitable education, they must make enquiries to ascertain the child's situation. If it is determined that the child is not receiving a suitable education, the local authority may take action, which may include issuing a School Attendance Order.

4. Duty to Provide Education for Children Unable to Attend School: local authorities have a responsibility to make suitable educational provision for children who, by reason of illness or other reasons, are unable to attend school.

5. Regular Monitoring and Reporting: local authorities are required to monitor the educational provision made for children in their area. They must report annually to the Secretary of State on their work related to children missing education.

6. Support for Parents: local authorities should offer support and advice to parents who are educating their children at home. They should also consider the child's wishes, as far as possible, in determining what constitutes suitable education.

Additional policies aligned to this Attendance Policy are:

- Behaviour Policy.
- Teaching, Learning and Curriculum Policy.
- Child Protection and Safeguarding Policy.
- SEND Policy.
- Pupil Premium Policy.

7. ROLES AND RESPONSIBILITIES

Improving attendance is everyone's business.

Teachers

Teachers play a vital role in monitoring and promoting school attendance. Ensuring regular and punctual attendance is essential for the academic success and wellbeing of children.

Local Authority

Ettington Primary School is responsible for liaising closely with the Local Authority's Attendance Service and will follow their standard approaches in managing attendance issues.

- Where all voluntary support options have not been successful, or have not engaged with, the law protects pupils' right to an education and provides a range of legal interventions to formalise attendance improvement efforts, and where all other avenues have been exhausted, enforce it through prosecuting parents.
- Warwickshire Attendance Service can use the following legal interventions/formalised support; Attendance Contracts, Notice to Improve, issue of Penalty Notices, Education Supervision Orders, Attendance Prosecution, consideration of application of Parenting Orders.
- Warwickshire Attendance Service will decide which intervention will be most appropriate, however only after considering the individual circumstances of a family.
- The above voluntary support options are not appropriate for an unauthorised Leave of Absence in term time.
- Prosecutions for non-school attendance must be conducted in line with the Warwickshire County Council Non-school attendance and Penalty Notice code of conduct and the Code for Crown Prosecutors and must pass the evidential and public interest tests.

8. SAFEGUARDING CHILDREN

The school has a duty to safeguard the welfare of all students. Any concerns about a child's attendance will be investigated promptly to ensure their well-being. Unexplained or extended absences will trigger safeguarding procedures, including home visits and communication with relevant agencies. We follow [Keeping Children Safe In Education](#) guidance to ensure safe practices.

8. REMOVAL FROM ROLL

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

Elective Home Education

Parents have the right to withdraw their child from school in favour of home education. Parents must inform the school of their decision to home educate in writing. Once the school receives this notification, they will then inform the local authority and take the child off of their roll. It is important that the decision to home educate is discussed and considered carefully. Parents should talk to the school about any difficulties their child may be having; once a child has been taken off roll their place will be allocated and may not be available if parents change their mind at a later date.

Part-Time Timetables

A part-time timetable must only be in place for the shortest time necessary and not be treated as a long-term solution. Any pastoral support programme or other agreement should have a time limit by which point the pupil is expected to attend full-time, either at school or alternative provision. There should also be formal arrangements in place for regular reviews with the child and their parents.

9. PUNCTUALITY AND LATENESS

Good time-keeping is a vital life skill which will help children as they progress through their school life and out into the wider world. Pupils who arrive late disrupt lessons and, if a child misses the start of the day, they can feel unsettled and embarrassed, miss vital learning and important messages from their class teacher. Every minute a child is late to school can add up to a lot of learning time over the year. On our school website, the following information will be published:

8.40am School gate opens. Children line up on the school playground in their respective classes

8.45am Registration. Official start of the school day.

All children arriving after 8.45am, when the gate is closed, must be accompanied to the school office by the parent /carer, where they will be signed in by a member of the Admin Team. Children will be marked as late on the registration system.

Any child arriving after the register has been taken at 8.45am, but before 9.15am (when the register closes) will receive a 'late before the close of register mark' on the system.

Any child arriving after 9.15am will receive an 'unauthorised' mark on the system.

Lateness is monitored regularly. Where children have persistent lateness problems the Head teacher may invite the parents into the school to a formal meeting.

At the official start time of the school day registers will be taken. Your child will receive a late mark (L) if they are not in by that time.

Children arriving after the official start time are required to come into school via the school office. They must be accompanied by a parent/carer and be signed into the late book. and provide a reason for their lateness, which is recorded.

When the register closes (30 minutes after the official start of the school day), in accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site - 'U', but this will not count as a present mark and it will mean they have an unauthorised absence.

The school may contact parents/carers regarding lateness.

3.15pm KS1 end of the school day

3.20pm KS2 end of the school day

Children arriving after the official start time are required to come into school via the school office. They must be accompanied by a parent/carer and be signed into the late book. and provide a reason for their lateness, which is recorded.

When the register closes (30 minutes after the official start of the school day), in accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site - 'U', but this will not count as a present mark and it will mean they have an unauthorised absence.

The school may contact parents/carers regarding lateness.

10. ATTENDANCE PROCEDURES AND CODING

Attendance will be recorded using the DfE's statutory attendance codes, please refer to Appendix 1.

First Day Absence

A child not attending school is considered a safeguarding matter. This is why information about the cause of any absence is always required. If a child is absent, parents/carers must contact the school as soon as possible on the first day of absence. If a child is absent the school will:

- Telephone the parent/carer on the first day of absence if the school has not heard from them – this is because we have a duty to ensure the child's safety as well as their regular school attendance.
- Invite parents/carers in to discuss the situation if absences persist and this is deemed appropriate.
- Refer the matter to the Warwickshire Attendance Service if absence is unauthorised and is close to Persistent Absence levels or meets threshold for. If the child is subject to a child

protection plan the procedures set out for day two unexplained absence will be implemented immediately.

Second Day Absence

If a child is not seen and contact has not been established with any of the named parents/carers on the second day of absence, the school will make all reasonable enquiries to establish contact. This will include making enquiries to known friends, wider family and undertaking home visits. Where the school is unable to undertake a home visit, they will contact the police to request they undertake a welfare check. This action will be taken on day one if the child has complex needs or is subject to a child protection plan.

Attendance Contract

An attendance contract is a formal agreement between parents and the school or local authority to address irregular attendance, providing support as an alternative to prosecution. It is not legally binding but serves as a formal route to secure engagement with support when voluntary early help plans have not worked. An attendance contract aims to offer support rather than punishment.

If voluntary support or attendance contracts are unsuccessful, an Education Supervision Order (ESO) can provide formal legal intervention without prosecution. Before proceeding with an ESO, the school and local authority should exhaust voluntary support options and ensure the order would benefit the pupil and parent. Persistent non-compliance with an ESO can lead to prosecution in the Magistrates Court by the local authority. Upon conviction, parents may face fines of up to £1,000.

Local authorities have the power to prosecute parents for various offences related to attendance: Failure to comply with a school attendance order may result in fines of up to £1,000. Failure to secure regular attendance at school or alternative provision may lead to fines of up to £2,500 and/or imprisonment. Persistent non-compliance with an Education Supervision Order may result in fines of up to £1,000.

11. AUTHORISED AND UNAUTHORISED ABSENCE

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school without a good reason creates an offence in law and may result in prosecution.

Authorised absences are morning or afternoon sessions away from school for a genuine reason, such as:

- **Illness** (although you may be asked to provide medical evidence for your child before this can be authorised).
- **Medical/dental appointments** (which unavoidably fall in school time, emergencies or other unavoidable cause).
- **Religious observance** – where the day is exclusively set apart for religious observance by the religious body to which the pupil’s parents belong. If necessary, the school will seek advice from the parents’ religious body to confirm whether the day is set apart.
- **Traveller pupils travelling for occupational purposes** – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision.

Parents and carers are sometimes unsure whether or not to send their child into school if they do not seem to be feeling entirely well. Generally, if parents are unsure, then we would advise bringing your child into school and letting us know to keep a special eye on them. Staff are very good at spotting when a child does not seem right and parents will be contacted to be asked for them to be collected.

Unauthorised absences are those which the school does not consider reasonable and for which no ‘leave’ has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings. Holidays during term time will not be authorised unless there are exceptional circumstances. Holiday requests must be made in writing using the official form available from the school office.

Unauthorised absence includes, however, this list is not exhaustive:

- Parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn.
- Absences which have never been properly explained.
- Children who arrive at school after the close of registration are marked using a ‘U’. This indicates that they are in school for safeguarding purposes, however is counted as an absence for the session.

- Shopping trips.
- Looking after other children or children accompanying siblings or parents to medical appointments.
- Their own or family birthdays.
- Availability of cheaper holidays and/or desired accommodation.
- Overlap with the beginning or end of term.
- Booked the wrong holiday dates by mistake.
- Holiday booked by another family member.
- Attending a wedding that is not for an immediate family member or not part of the ceremony.
- Unable to take a holiday in school holidays due to work commitments.
- Adult appointments affecting bringing a child to school or collecting on time.
- Different term dates for children at schools in another local authority.
- Holidays taken during term time without leave, not deemed 'for exceptional purposes' by the headteacher - may result in the school applying to the local authority to issue a penalty notice or if you have previously been issued a penalty notice, the school may request a direct prosecution by the local authority.
- Day trips.
- During Key Stage 2 SATS assessments.
- Other leave of absence in term time which has not been agreed.

The regulations regarding Leave of Absence (The Education (Pupil Regulations) (England) Regulations 2006 as amended by Education (Pupil Regulations) (England) (Amendment) Regulations 2013.) advise:

- Headteachers shall not grant any Leave of Absence during term time unless they consider there are exceptional circumstances relating to the application.

Expectations

- Parents do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are exceptional circumstances and the Head Teacher must be satisfied that the circumstances warrant the granting of leave.
- Head teachers will determine how many school days a child may be absent from school if the leave is granted.
- The school can only consider applications for Leave of Absence which are made by the resident parent. i.e the parent with whom the child normally resides.
- Applications for Leave of Absence must be made well in advance.
- When making an application for Leave of Absence in advance parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. It is advised that if the resident

parent has not received notification or a response regarding the leave of absence application, it is their responsibility to ascertain if the leave is authorised prior to the start of the leave.

- Applications for Leave of Absence which are made in advance and refused will result in the absence being recorded as “unauthorised”. This may result in legal action against the parent, by way of a Fixed Penalty Notice, if the child is absent from school during that period.
- Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence and could result in a Fixed Penalty Notice being issued to the parent(s).
- Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as ‘unauthorised’. This may result in legal action against the parent, by way of a Fixed Penalty Notice.
- All matters of unauthorised absence relating to a Leave of Absence may be referred to the Warwickshire Attendance Service of Warwickshire County Council.
- The Warwickshire Attendance Service has the authority to consider issuing Fixed Penalty Notices for Leave of Absence in line with the Warwickshire County Council’s Non-School Attendance and Penalty Notices Code of Conduct. (A copy of which can be found at <https://www.warwickshire.gov.uk/pupilnonattendance>)
- It is important to note, Fixed Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices in the amount of £160 each, totalling £320 for both children, this is reduced to £80 per child if paid within 21 days).
- If a Fixed Penalty Notice is issued and is not paid within the timeframe set out in that Notice, the matter will be referred to Warwickshire County Council’s Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996. Each application for a Leave of Absence will be considered on a case-by-case basis and on its own merits.

13. PENALTY NOTICES

In education law, parents/carers are committing an offence if they fail to ensure the regular attendance of their child of compulsory school age at the school at which the child is registered, unless the absence has been authorised by the school. The local authority will use the full range of legal measures to secure good attendance. Legal measures will only be considered when there is unauthorised absence and improvements are not being made. Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age. If issued with a penalty notice, parents must pay £80 per child within 21 days or £160 within 28 days. The payment must be made directly to the local authority. The decision on whether or not to issue a penalty notice ultimately rests with the Local Authority, following the local authority’s code of conduct for issuing penalty notices. If the penalty is not paid by the end of the 28 day period, the local authority must decide either to prosecute for the original offence to which the notice applies, or withdraw the notice. Parent(s) can only be prosecuted if 28 days have expired, and full payment has not been made. There is no right of appeal by parents against a penalty notice. Only two fines can be issued to the same parent for the same child within a three-year rolling period. Any second notice will automatically be charged at £160. A

'Notice to Improve' will be the final opportunity for a parent to engage in support and improve attendance before a penalty notice is issued. Schools have to consider a fine if a pupil misses 10 sessions (half days) of unauthorised absence in a rolling period of 10 school weeks. The threshold can be met with any combination of unauthorised absence, e.g. four sessions in term time plus six instances of arriving late. The period of 10 weeks can also span different terms or school years.

14. NON-COMPULSORY AGE PUPILS

Although there is no legal requirement for a pupil to attend nursery, it is widely acknowledged establishing routines including good attendance in early years reaps benefits when children become of compulsory age.

The DfE have now advised in the Working together to improve school attendance that:

On each occasion the register is taken the appropriate national attendance and absence code must be entered for every pupil (of both compulsory and non-compulsory school age) whose name is listed in the admission register at the time (except for a pupil who is a boarder). The codes enable schools to record and monitor attendance and absence in a consistent way and are used to collect statistics. The data helps schools, local authorities, and the government gain a greater understanding of the delivery of education and the level of, and reason for, absence. It is therefore advised schools look to include the schools' expectations around attendance for these cohort of pupils, advising coding will be in line with the DfE guidance and what the schools' expectations are around notification of absence etc.

15. DEFINITIONS

In the context of school attendance, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues. Here are their definitions:

Absence

- Arrival at the school after the register has closed.
- Not attending school for any reason.

Authorised Absence

- An absence for sickness for which the school has granted leave.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave.

- Religious or cultural observances for which the school has granted leave.
- An absence due to a family emergency.

Persistent Absence is a term used to describe a level of pupil absence from school that is considered to be a significant cause for concern. **Threshold:** a child is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

Risk of Persistent Absence refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent. **Threshold:** while there is no specific threshold for 'Risk of Persistent Absence', it is typically used to describe pupils whose attendance is consistently low and becoming a concern. As our schools communicate to parents in days, we identify 10 days or more as Risk of PA and we will follow internal school procedures.

Severe Absence is used to describe the most serious cases of non-attendance. **Threshold:** Particular focus and support will be provided to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

16. REVIEW

This Attendance Policy will be reviewed annually by the Governing Board to ensure its effectiveness and compliance with statutory requirements. Any amendments will be communicated to staff, parents, and carers as necessary.
