

Send at Southam College

Year 6 into Year 7

INFORMATION

As part of our enhanced transition for SEND students, we would like to welcome families to the following events.

On 29th April you are welcome to visit our Connection Hub and see the support in place. On the 3 other dates, please book a slot to meet a member of the SEND team to discuss your child and how best to support their start at Southam College. In these meetings you will be able to co-produce a pupil passport with a member of the SEND team. Each of the 3 sessions will start at 3.45 with a short introduction from Miss Hawkes, SENCO and then 45 minutes to speak together.

Please let us know, using the QR code/booking link, which of the 3 sessions you can attend. We will be in touch closer to the events to confirm which date you have been allocated.

Tours of Southam College with our SEND team will be advertised after the Easter holiday.

We look forward to working with you soon.
