

17th June 2025

Dear parents and carers,

Ettington Church of England
Primary School

On Thursday 10th July, year 2 will be exploring the village as part of our 'Local area' topic. We will first be going to the church for a talk about the building and its history. Whilst we are there, we will also be completing some art activities at the church. We will then be walking around the village to further understand our rural community, looking for local landmarks along the way. Finally as an end of term treat, we will have a picnic at the community centre. If it is dry, we will have our lunch outside and the children will have time to enjoy the playground.

As your child is eligible for universal free school meals, if you would like your child to have a school packed lunch, please indicate on the form below. You can alternatively provide your child with a home packed lunch.

All children will need a hat, suncream and water bottle. They will also need a rain coat in their bags to allow for the unpredictable British weather! If the weather forecast is going to be rain all day, we may have to cancel as it's not very pleasant picnicking in the rain as you can imagine! If your child prefers, they can wear trainers with their school uniform as we will be on our feet and walking a lot during the day.

Thank you for your continued support. We know the children get a lot from these trips and we are lucky enough that people in our local area are able to speak to us and share their wealth of knowledge.

Kind regards,

Abi Anthony
