

- Research old British currency and write some Second World War maths money problems
- Design a gas mask box; you will need to make a net for a cube or cuboid and construct
- Bake or cook a wartime recipe (remember to be careful when measuring and weighing ingredients)

- Write 10 facts about how life has changed since the 1940's
- Research and play outdoor games which would have been played by children in the 1940's
- Design and test out a parachute (using a toy!) that would allow a member of the RAF to land safely

- Imagine you have been evacuated, write a letter to your parents
- Write a biography on a significant individual from the Second World War
- Write a newspaper report about a significant event during the Second World War.

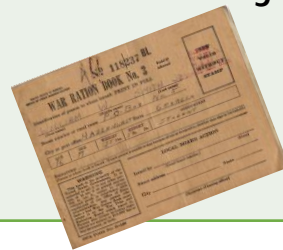

- Design and play a game of battleships
- Write a message using Morse Code
- Talk to relatives that were alive during the Second World War and ask them to tell you what it was like. Share the stories you have heard with the rest of the class

- Make a drawing, painting or collage of a Second World War scene
- Make a Second World War artefact, e.g. a medal or a ration
- Design camouflage for the RAF

- Make a model of an air raid shelter
- Draw and label a plane or a tank from the Second World War
- Design a Second World War themed game
- Make do and mend: create a toy using only recycled materials

- Write a dinner menu only using ingredients available during rationing
- Design a safety poster telling people how to stay safe during the blackout

- Research and write 10 facts about Anne Frank
- Research what conflicts are happening in the world right now
- Research the Jewish faith and write 10 facts about it
