

16<sup>th</sup> January 2026

Dear Parents and carers,

We have been informed that Ettington Primary School has been selected to take part in the Sport England's Children and Young People Active lives survey for the spring term, and have been required to send you the link to complete their survey.

"The Active Lives survey endorsed by Sport England and the Department of Education, which seeks to explore how active children and young people are, their attitude towards sport and their general wellbeing. While this is a survey sent to schools for pupils to complete, this is NOT a survey about school sports. In primary schools', parents of Year 1 & 2 children are asked to complete a short survey."
