Reception Spring 2

Into the Garden

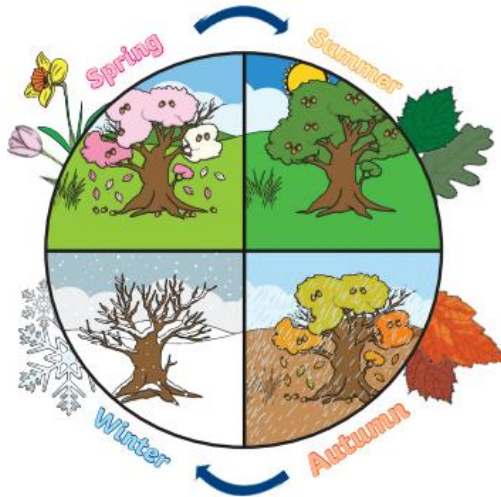

What is your child going to be learning in our topic?

I will learn...

- About the season Spring.
- The names of the parts of a plant (flower, stem, leaves, roots).
- The life cycle of a seed.
- The digraphs/trigraphs oa, er, igh, air, oi, ear, ure.

I will be able to...

- Retell the Easter story.
- Describe what I can see, hear and feel outside.
- Name and describe the 4 seasons (Spring, Summer, Autumn, Winter).

Glossary

Seasons 	4 parts of the year which have different weather and times of light.
Spring 	New plants begin to grow and the weather gets warmer.
Petals 	Usually bright colours at the top of the plant.
Stem 	To help the plant stand up.
Roots 	To get water and nutrients.
Seed 	A part of a plant that can grow into a new plant.
Easter 	Celebrating Jesus's resurrection.
Forgive 	To no longer feel angry or upset about something someone has done.
Lent 	40 days before Easter.
