

Focus Topic: Victorians

Dear Parents/Guardians,

Get ready for an amazing term of time-travelling fun! Our class will be diving into the enchanting world of the Victorian Era, and to make our learning journey even more thrilling, we're using the Arcademi app!

Here's a quick guide on how to join the adventure:

- Download the Arcademi App.
- Select 'Victorians'.
- Enter access code: **4LB3R7**

Heads-up: Most devices have AR functionality, but older phones and tablets may not be compatible due to hardware restraints. The app will only be visible in the app store on compatible devices.

Each week the kids will bring home 5 unique vocab cards related to our Victorian focus. It's as easy as 1-2-3:

- Read a vocab card.
- Activate your quiz question by scanning the card's image with the Arcademi app scanner.
- Answer correctly for an immersive augmented reality experience. Incorrect? No problem—try another question!

Each card comes with a creative curriculum homework task, from sewing to collage making. Aim to complete at least one task each week, but feel free to do as many as your child desires.

Remember to bring in completed assignments during the week to showcase your child's discoveries in class!

Remember—each **MONDAY** marks swapping day! Encourage them to bring their flashcards in their designated wallets to exchange for 5 new ones.

Yours sincerely,
Miss Hunter
