Year 5 – Autumn

Creative Curriculum Homework – Mini project about

The Vikings

I'd like you to choose an activity – you may decide to do a different one each week, OR you may need to spend a few weeks if you've chosen something complicated!

There are no rules – you **can adapt any of the tasks** and present your homework **as a film, TV or newspaper report, a story, a poem, a painting, power point presentation, a 3D model, an instrument, baking etc**. The choice is yours - to be as creative as you can. You can either upload your work onto Google Classroom, or bring it into school. (For example – if you have baked something, you may prefer to eat your homework! Just remember to upload some pictures of your creation in the kitchen first.
