

My name is Jon Davies and have recently been appointed as a co-opted governor.

I work for National Grid Interconnectors, based in Warwick, where we manage sub-sea electricity connections between GB and neighbouring countries. I'm really looking forward to working with the school to follow my passion for STEM advocacy, sustainability and ensuring all children have access to engaging and equitable education.

I've lived in the village for 6 years and have two children in Ettington Primary, Florence in year 2 and Finley in Reception.
