HOME LEARNING TIME-TABLE	<p><u>Home Learning:</u> Monday – New spellings will be set for a test on the Friday. Children will also need to complete the spellings handwriting task and complete 6 sentences using their chosen spellings. This will need to be handed in on Wednesday. Wednesday – Maths homework will be set. This will be either mathletics online homework or a written maths sheet to be completed for Monday. Online SPAG homework will also be set for the following Monday. This will vary weekly but I will update you on google classroom. Friday’s homework will either be a talk homework or a mini project but a sheet will come home explaining this in detail.</p> <p>Reading: Children are expected to read most nights and should use the purple reading journals provided to record their thoughts and opinions about different texts, not just page numbers. TALK HOMEWORK-This discussion-based task will be set occasionally in preparation for extended writing tasks.</p>

Please comment in these purple books if you hear your child read or if you engage in discussion about a text. Children are encouraged to record their likes and dislikes with reference to the text.
HOW TO SUPPORT YOUR CHILD AT HOME	<ul style="list-style-type: none"> • Praise your child and share an interest in what they are doing. • Recognise their achievements and celebrate them. • Ensure they undertake any home learning in a calm environment at a suitable time. • Ask questions to probe thought and recognise their own errors or misconceptions. • Ensure they have the right tools to do the job. • Take a break if required. • If it is proving too difficult, acknowledge that and write a note on it for the teacher. • The most effective home learning is based on conversation about the world around them.
