

Ettington Church of England
Primary School

5th September 2023

Dear Parents and Carers (Class 6)

I would like to welcome you and your child back to school and hope it has not been too much of a shock to the system getting back into the swing of school life after such a long time away. As your child is now one of the eldest children within the school, we are going to offer parents a choice of preference for dismissal at the end of the day.

The choices are as follows:

1. **Children dismissed directly from the classroom and meet their parent/adult on Churchill Close.** (If parents do not appear, pupils are instructed to return to the classroom, who will then follow usual procedures for late pick-ups).
2. **Children dismissed from the classroom and walk home alone or with another pupil from their class without being collected by an adult (Year 6 only).**

Our main concern as a school is that every child is safe. We must therefore stress, particularly in the case of Choice 1 that should you be running late you make contact with the school and then your child will remain in the classroom.

We would be most grateful if you could complete the slip and return it immediately, as we would like to make these changes as soon as possible.

Best wishes,

Michelle Crowe
Headteacher

I WOULD LIKE MY CHILD TO:

1. Be dismissed from the classroom and I will collect from Churchill Close YES/NO
2. Be dismissed from the classroom and make their own way home YES/NO
