HOME LEARNING TIME-TABLE	<p>Creative Curriculum: At the beginning of each term, the children will bring home a grid with a range of activities relating to our topic. They can choose from the grid and bring their work in when completed. <i>Details on the sheet.</i></p> <p>Tuesday: Maths and Spelling – to be handed in by the following Monday</p> <ul style="list-style-type: none"> • A maths task – Mathletics. Children have individual login details in the front of their purple reading journals. The expectation is for them to complete at least 2 activities a week to practice the skills learnt in school. • Spelling and sentences – The children will bring home their green spelling homework books. There will be a handwriting sheet with their spellings. They need to practice their spelling/handwriting and then use their spellings in separate sentences. <p>Reading: Children are expected to read most nights and should use the purple reading journals provided to record their thoughts and opinions about different texts, not just page numbers. Please feel to comment in the back if you have heard your child read aloud.</p> <p>All home learning tasks are to be placed in the labelled box in the classroom</p>
HOME LEARNING EXPECTATIONS	<ul style="list-style-type: none"> • Read at home, little and often is the best motto – between 20 and 30 minutes most nights. • Homework should be handed in on time to avoid unnecessary upset. • Please ensure that homework presentation is to a good standard.
