Reception Spring 2

Into the Garden

## What is your child going to be learning in our topic?

*I will learn...*

- About the seasons, Spring.
- The names of the parts of a plant (flower, stem, leaves, roots).
- The life cycle of a seed.
- The digraphs/trigraphs oa, er, igh, air, oi, ear, ure.

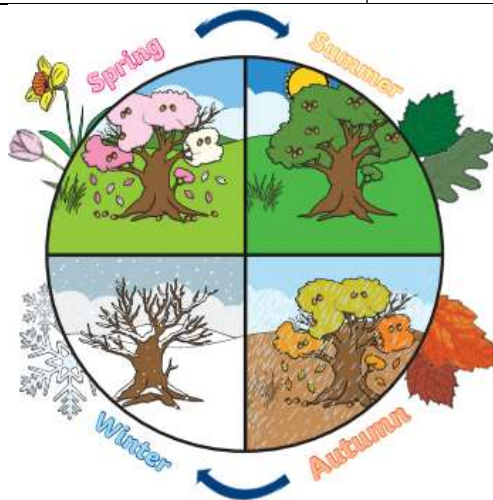

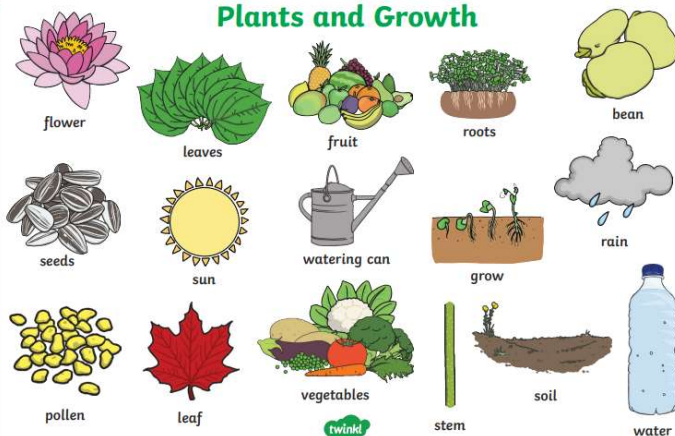

*I will be able to...*

- Retell the Easter story.
- Describe what I can see, hear and feel outside.
- Name and describe the 4 seasons (Spring, Summer, Autumn, Winter).

## Glossary

<b>Seasons</b>	4 parts of the year which have different weather and times of light.
<b>Spring</b>	New plants begin to grow and the weather gets warmer.
<b>Petals</b>	Usually bright colours at the top of the plant.
<b>Stem</b>	To help the plant stand up.
<b>Roots</b>	To get water and nutrients.
<b>Seed</b>	A part of a plant that can grow into a new plant.
<b>Easter</b>	Celebrating Jesus's resurrection.
<b>Forgive</b>	To no longer feel angry or upset about something someone has done.
<b>Lent</b>	40 days before Easter.
